 SUBJECT: PAUL BENJAMIN HURLEY M/M/

DATE November 23, 1954

PAUL BENJAMIN HURLEY telephonically contacted the Minneapolis Office on September 2, 1954 requesting information relating to the Socialist Workers Party. He advised at that time that he had been corresponding with one [REDACTED] of the SWP in Minneapolis and had received letters from [REDACTED] reflecting [REDACTED] philosophy. (One [REDACTED] a member of the SWP, is a security index subject of the Minneapolis Office.) HURLEY was personally interviewed on the basis of the above telephone call on September 6, 1954 by an agent of this office. At that time HURLEY furnished several letters written to him by one [REDACTED] described on the letterhead as [REDACTED] of the Socialist Labor Party. The letters bore the return address of [REDACTED]. It was apparent from the firsthand examination of these letters that HURLEY was confused about the name of the organization when he originally contacted this office. HURLEY also furnished letters received by him written by [REDACTED]

[REDACTED] HENRY CABOT LODGE, [REDACTED] and others, and HURLEY explained that he planned to use these letters as source material for a book that he planned to publish sometime in the future. It was explained to HURLEY during the personal interview on September 6, 1954 that the FBI did investigate the Socialist Workers Party, as this was one organization that had been cited by the Attorney General of the United States on Executive Order 10450. It was also pointed out to HURLEY that the FBI did not have any investigative interest in the Socialist Labor Party.

It was the personal opinion of the agent contacting HURLEY on September 6, 1954 that HURLEY was on the verge of mental instability. This impression was based upon the manner in which HURLEY rambled from discussion of one subject to another, plus the background information HURLEY furnished concerning himself, [REDACTED]

[REDACTED] because of the possible mental instability of HURLEY plus the fact that HURLEY had advised that he was writing a book and it was decided that HURLEY may have contacted the office originally hoping that he could establish some relationship with the FBI as a possible source material for the book he planned to publish.

A review of the Minneapolis indices concerning HURLEY reflects that he applied for the position of Special Agent, FBI, on January 6, 1952. He was interviewed on April 1, 1952 for the position of BUAP - SA(2), and [REDACTED]

it was determined that HURLEY did not have an actual degree. He was advised at that time that no further action could be taken on his application until he had received his college degree. In June 1953 HURLEY furnished the Minneapolis Office with the names of several persons in New York who HURLEY felt would warrant investigation. This information concerned a supposedly illegal operation performed by a displaced German doctor on the doctor's sister. The files also show that HURLEY was involved as a defendant in a restraint action when he resided in a veteran housing project, Sioux Falls, South Dakota. This restraint action concerned damage allegedly caused by HURLEY to his apartment. City Court of Sioux Falls, South Dakota decided against HURLEY and rendered judgment in the amount of \$25.00 against him. The files of the Minneapolis Office do not contain any information of a subversive nature concerning HURLEY.

[REDACTED] HURLEY is based upon his mental instability and the fact that he may be trying to use contacts with the FBI as source material for his book. However, one written report (consisting of three pages) was submitted as carbon copies of the original report. This indicates that HURLEY may be using the original of this report as source material for his book.

It is extremely doubtful that any material written by HURLEY would ever reach the publication stage. [REDACTED]

The 'spirit of '76 advocated a complete separation of church and state. Can we do less?

We noticed for example: that Mr. Howard didn't show up to give his speech at "Americanism is our Product." and that "We the People" was also Catholic dominated. They tried to put across that the "spirit of Notre Dame" was the same as the spirit of '76.

You talk about "freedom" but most citizens are so afraid of speaking their minds that what we have is a De-mock-racy instead of a true Democracy. The F.B.I. is in a large way responsible for this fear.

I philosophize for example: that, if our democracy is half as good as you intimate that it is, we should have no fear of communism or Catholic power, etc. There must be some thing wrong when individuals - citizens commit treason against a government which is supposed to allow INDEPENDENCE - FREEDOM AND LIBERTY. GET ON WITH THE SUIT

On Jan 16 Secretary of the Treasury Humphrey announced that he was going to sue Gov Bracken Lee of Utah for collection of unpaid 1955 income tax. The governor had informed the internal revenue service that he refused to pay that portion of tax not covered by withholdings from his salary, over which he had no control. His purpose was to compel the government to establish what constitutional warrant it had, if any, to appropriate taxpayers' funds for foreign aid.

A month and a half after Secretary Humphrey's announcement, we have heard of no suit. We surmise that the government is not precisely anxious to get a determination of this issue.

In fact, it would be interesting to learn where in the Constitution such spending is authorized. Spending by the government is carefully restricted in the Constitution to "the common defense and general welfare of the United States," not of any other nation or of the world at large. Yet spending is lavished on nations which ceased to be our allies in war in 1945, and on nations which never were our allies.

The Constitution gives power to Congress "to coin money" and "to borrow money on the credit of the United States," but not to lend money or to give it away, either at home or abroad. As Thomas James Norton observes, "What is expressed in a Constitution is equivalent to a prohibition of what is not expressed."

Not too long before the Constitutional convention of 1787, Louis XIV had kept Europe embroiled in wars by loans or grants of money to belligerent rulers. Did the Constitution intend to give this same power to Congress? It did not say so. The power was, therefore, withheld by the people from their servants.

Yet this system of handouts, grounded on the practices of an absolute monarch, is espoused today by internationalists, forever braying about "democracy." The doctrine of internationalism was explored at the last convention of the American Historical association. Prof Harry R Rudin of Yale shocked those in attendance with the observation that internationalism had died in 1914 as judged by interference with the free movement of people and goods since that year. Passport regulations, police restrictions on movement, tariffs, and increased nationalism as exemplified by the rise of new states [Israel, Libya, India, Pakistan, Burma, etc.] have contributed to ending internationalism since World War I.

Some internationalist protested that the Marshall plan and kindred handout schemes proved that internationalism was more alive today than ever. Prof Rudin said that this was nothing new, and referred to Louis XIV's program.

Yet, in the hallowed name of internationalism, the administration, the state department, and Congress contrive to lend or grant more than 52 billion dollars to Europe and the rest of the world within 10 years, and do so, moreover, without authority, but in the face of a denial of authority under the Constitution.

So we think it would be well if the treasury should take up Gov Lee's challenge and endeavor to cite its constitutional authority for picking the people's pockets to benefit foreign nations. Maybe the government lawyers are delaying because, search the books as they may, they can find no power to do so.

WHAT DO YOU THINK OF THIS? PLEASE RETURN IF YOU
ARE NOT A VETERAN AND NOT INTERESTED
BIRTH OF UNITED STATES VETERAN'S POLITICAL ORGANIZATION SEEN IN U.S.

A large number of American War Veterans of the various previous wars in which America has played a part since 1898, in answer to an ever-increasing, vicious, false, economy-minded, anti-veteran sentiment now seemingly prevalent throughout this nation, met together in Minneapolis, Minnesota on May 29th, 1956.

This meeting was for the express purpose of reorganizing and forming the American's Veteran's League, a Veteran's United Political Action Committee, semi-political in nature, with membership to be comprised of all honorably discharged war veterans of all wars in which America has so gloriously participated in her past history, with associate membership for veteran's wives, mothers, sisters and orphans of war veterans and other similarly related patriotic groups in United States.

This organization was first incorporated under the laws of the State of Missouri with a charter being granted July 15, 1932 for a fifty year period, for the benefit of all war veterans and veteran dependents then affected by the Roosevelt so-called Economy Act which eliminated or reduced veteran pensions and war disability compensation payments.

Among other items, in addition to that of benevolent welfare for veterans, this group had as one of its purposes, the exerting of influence upon public opinion to combat all attempts at dictatorship and the open and undercover acts to undermine the high principles of true Americanism, through subversive and un-American methods and maneuvers; to unite all veterans, their dependents, the various veteran associations, auxiliaries and other patriotic groups and individuals of unquestionable loyalty to American ideals and principles into one large, semi-political American party, irrespective of what wars its potential members served in, in order to more effectively uphold and perpetuate our American doctrines and traditions of our liberties, freedoms and institutions as granted to us by our Founding Fathers under our U.S. Constitution and Bills of Rights, thereto.

Another purpose was the encouragement of a full analysis and study of the Constitution of the United States by members of this league, together with the recommendation and co-operation of this study among the school children of this country; and by a course of comprehensive study and appreciation of the conceptions and ideals as are enunciated in the Constitution, to engender a more wholesome respect and love for the mandates as given in that instrument; by this course of study to enlighten the citizenry to the necessity of preserving our Country and thus provide another potent body in the assistance of the preservation of the ideals, happiness and tranquility of our American people against any and all forms of socialistic Communism and its kindred doctrines of One-Worldism.

With this nation now at the cross-roads between good, sound, sane, common-sense conservative American form of government and the alien, subversive, un-American, foreign ideologies and fake philosophies of One-World Internationalism, and its many spider web supra-governmental affiliates, the need for such an organization as the American Veteran's League is more imperative and urgent today than ever before in the history of this nation; by uniting all veteran groups and individual veterans together toward a common objective of America, First, Last and Always, this organization can serve as a powerful political factor in helping determine public opinion in the coming fall elections, as well as in later years, in helping elect to office those candidates who are willing to stand up and be counted as fighters in behalf of the American war veterans and American way of life, who in the past have offered or given their ALL to this nation in time of need, to help this country survive and make the United States the great nation it is today; those candidates for public office who will fight for all principles and the other things American, over and above those of Internationalism of one-world ideas and pagan thinking.

Do you know
the AVC?

Paul Hurley 407 18th Ave No -
Phone 2579

Such an organization of some 26,000,000 veterans of the past American wars, with their wives, mothers, sisters, fathers and brothers of these veterans cannot only defeat those seekers after public office who work against the veteran's welfare and nation's interest as well as against the people themselves who helped elect them to office, but can elect and place in office, not only those war veterans of known honor and integrity from within their own ranks, but from the outside non-veteran world as well, who will uphold American ideals and they thus can put out of public office, those present incumbents and office holders who would and who have, exploited the war veterans of this nation, in order that foreign, undependable and unreliable allies and potential enemies from other nations, might benefit from the financial bread-basket of American industry at the expense, hardship and misery of those American war veterans and her dependents.

It is the hope of the veteran league founders, that the members will put nation above political partisan loyalty, from the precinct and ward levels upward, which these same war veterans cannot now do under their present United States chartered veteran organizations and thus under the new group they can then bring back to our American Republic, the ideals, freedoms and liberties which have made this nation known throughout the wide world and will eliminate any and all forms of tyranny, oppression and injustices as now are being placed upon those who have served their country in times of great need and in battle.

The supreme effort of all the members of the American Veteran's League will be to completely eradicate all un-American and subversive activities against the United States by any and all organizations, irrespective of what name or method they may adopt, which tends to put Internationalism ahead of American Nationalism and to see that all of America's war veterans are treated honestly, fairly, without bias or discrimination or further delay and with justice to all those who in the past have sacrificed so greatly for their country.

It is planned that the American Veteran's League, being a non-profit, semi-political organization, will be operated and maintained solely through a Contributory basis, by those able to do so, either by a Contributory or Sustaining membership, in lieu of payment of dues, which system has a tendency to work a hardship upon those veterans who are past employable age, partially or totally disabled through non-service disabilities, reduced compensation, lack of pensions and/or other conditions beyond the veteran's control, but who yet by reason of patriotism and loyalty to country and flag are able to and desirous of participating in matters of veteran's welfare, civic pride and betterment and vitally concerned with the future of America.

The American Veteran's League was honored in having as its First President or Commander, one of the original founders, the Hon. Albert Schweitzer, a former St. Louis, Missouri mayor, attorney and prosecutor, who was a veteran of both the Spanish War and World War I.

He had co-operating with him in this founding another veteran of these same two wars, the Hon. Julius Anderson of the Missouri State Legislature, mayor of River-view Gardens, a suburb of St. Louis. He was also Commander of one of the largest Spanish War Camps in that state, in addition to being Judge Advocate of the Spanish War Veterans. He later succeeded as President of the League upon the death of Comrade Schweitzer, under whom the group continued in growth and progress for some years, especially on matter political and veteran's legislation in the state of Missouri, until in later years interest began to lag and the group temporarily disbanded, but keeping the charter alive.

Through past contact with and permission from League President Anderson, now in retirement at age 83 in Florida, who is interested in reviving the organization, the charter was brought to light by another veteran buddy of World War I, Harry H. Kirchman of Minneapolis, Minnesota, and immediate organization efforts again got under way under Kirchman's leadership, with the assistance of veterans from each of the other wars, insurrections and "police actions" since 1898.

Mr. Kirchman is a charter member of Mill City Barracks, No. 233, World War I veterans, Minneapolis, and was also one of the founders of A.G. Clarke Post No. 7, American Legion, Ft. Kamehameha, Honolulu, and other later veteran organizations. He is a Past Commander and was instrumental in helping organize Bermuda Base Veteran's Post, at Ft. Bell, composed of both V.F.W. and American Legion members stationed there in 1941 and under which British possession, an American charter could not be obtained for the American veteran organizations. He has been greatly interested and active in various veteran affairs and political matters for the past 37 years and in 1954 was a candidate for State Senator, state of Minnesota, at the request of his comrade and buddy veterans, and he feels that the National Tribune Stars and Stripes is accomplishing a wonderful work in behalf of all veterans and is one of the few remaining newspapers today where the true facts may be ascertained as they relate to veteran and government affairs.

Incidentally, the new leader of the American Veteran's League is also a professional Construction Engineer and has been engaged in a great number of large and important projects, both here in the United States and overseas in the West Indies, Japan, Turkey and off-shore bases. He knows from experience and from talking with the man-on-the-street in those places how little our efforts to help are appreciated by these foreign nations and of the needless waste and vast expenditures taking place in these countries -- at the expense of the American taxpayer.

Several worthwhile resolutions of great merit were introduced during the session of the American Veteran's League in Minneapolis, for immediate consideration and action as well as attention by the various other veteran organizations and individuals throughout the country, as not being in line with American nationalistic thinking, principles and ideals and as being against the wishes of the American people as a whole and more especially against the war veterans of all past American wars. They are presented herewith:

1. The wasteful and extravagant spending of billions and billions of hard-earned American dollars on needless, long-range, foreign-aid programs of economic aid to unreliable and undependable allies who are already 50% or more socialistic and communistic in their thinking and actions; while at the same time our own government cannot balance its budget due to heavy indebtedness or lower the excessive taxes which have been placed against the American people.
2. The peacetime conscription of our growing manhood into the military services to help defend foreign nations and vested interests on foreign soil while at the same time, these nations refuse to adopt conscription as a means toward their own defense.
3. The infamous Status of Forces Treaty under which our military personnel serving abroad against their will in foreign countries are themselves denied the rights and protection of our very Constitution and flag which they have been called upon to fight for.

4. The past delay in Congressional legislation upon the recommendation of the President and the findings and recommendations of the Bradley Commission and the "Hardy" bill, relating to the elimination of veteran pensions, veteran preference and reduced disability compensation payments and the substitutions instead, of meager and insufficient Social Security payments.
5. The failure of the President of the United States to accept the original Bricker Amendment or similar legislation limiting the powers of a Chief Executive to make treaties with foreign nations, except through joint Congressional action of both houses of Congress.
6. The unjust, illegal and confiscatory taxation of the American peoples and veterans of this nation far beyond their ability to pay, through the processes of the Withholding Tax provision of the Internal Revenue Act of the United States.
7. The mass immigration of foreign nationals, displaced persons and former enemies of this nation into the United States over and above any regularly established quota of the McCarron-Walter Act and the proposed elimination by the President of the United States of the finger printing of such immigrants which can endanger the security of this nation, in addition to having a tendency to place more war veterans among the unemployed and upon the relief rolls of the United States.
8. The sales and disposal of many of our strategic materials, supplies and equipment to unreliable allies and potential enemies, through our allies and neutral nations and the giving away of our surpluses abroad without recompense for same.
9. The immoral acts committed by our Presidents in relation to the Korean War (police action), the most perfidious being the betrayal and abandonment of American military personnel by withholding tactical and strategic support and protection when needed, by permitting trading with the enemy by our allies and thus providing the means to kill off our men in uniform and our government's failing under United Nation's leadership, to take any resolute action to liberate those still held in captivity by the withdrawal of our troops under a so-called Armistice Agreement and thereby leaving those troops to an unknown, barbarous fate in Red hands and while our sons backed America, America failed to back our sons.
10. The usurpation of State's Rights by the U. S. Supreme Court through alleged executive mandate without proper Congressional action and ratification by the several states of the union for the granting of such powers.
11. The setting aside by Congress of one million (1,000,000) acres of land in Alaska and the proposed expenditure of twelve and one-half million dollars (\$12,500,000) through a voice vote only, allegedly without a quorum present, for the proposed concentration and treatment of the "mentally ill", upon the affidavit of only one doctor and the reciprocity agreement for use between the states of the union and the territory of Alaska for the shipment of persons considered dangerous to the welfare of the nation to this American "Siberia".
12. The evil and vicious, corrupt Genocide Pact, which has no place in the American way of life and our American form of government, as granted us by our United States Constitution and the Bill of Rights, thereto.

13. The lack of Congressional support for Senate Bill No. 276, under which the Universal African Nationalist Movement desires and needs financial support in the way of repayable loans in order that this group may help return their fellow negroes and themselves to Liberia in Africa to found a Republic of their own as per their own request and to establish normal export-import trade between these nations and thus completely eliminate the question of race segregation within these United States and racial tension between the white and colored races.

The organization of the American Veteran's League was originally formed in all sincerity and honesty of purpose, to help all veterans of all wars at the time of granting the charter in 1932 to those other noble and patriotic Missouri citizens who were fearful and apprehensive at that time as to the future of America, because of the alien and foreign, subversive influences then at work to belittle and down grade all veterans and their dependents in their efforts to start a new life after return from these wars; thus causing them to lose faith and hope in themselves, their fellow-man and America in order that this nation might more easily fall prey to foreign ideologies and thus become more easily destroyed. So will it be the aim of the newly reorganized group to remain steadfast and true to country and flag, in the interest of all America and her war veterans of the past, and God willing, to keep America for Americans as long as this nation has the fires of loyalty and patriotism running in her veins.

The evil and pernicious forces of Communism and One-World Internationalism are never at rest, even at the tombs of our veteran unknown dead on Memorial Day in America and these subtle and nefarious influences must be defeated and completely done away with in these United States; and let us not forget those Immortal words of that great penman of our precious Declaration of Independence, Thomas Jefferson:

"I swear, before God, eternal hostility over any form of tyranny over the mind of men!"

CAN WE, AS VETERANS, of these past wars . . . , DO LESS?

We might in solemn thought, also take heed to the well chosen words of another great, loyal, fighting, American patriot, the Great Emancipator, "Honest Abe" Lincoln, from his First Message to Congress, December 3, 1861:

"I bid the laboring people of the nation to beware of surrendering the power which they possess, and which if surrendered, will surely be used to shut the door of advancement for such as they, and will fix new disabilities and burdens upon all, until all of their liberties shall be lost!"

Therefore, just as the Light of Freedom, sparked by the fires of patriotic Liberty, pushed away the black, ominous shadows of tyranny, injustices and oppression that first day at Lexington and Concord, which glow has since radiated down the corridors of Time in this Nation, so should we now be concerned with what part these liberties and freedoms will play in any new order of the future which is now attempting to rear its head from the ruins of the old, and in which future we war veterans and our coming posterity will have to live out our lives.

May it therefore be said in closing, that the aim of the American Veteran's League is not to in any sense to take over or try to supplant any of the many splendid veteran organizations and their auxiliaries, but rather to act toward effective liaison between all veteran organizations and individuals in providing a necessary outlet for their political thought and action, which these organizations are now denied

under their charters, possibly because of fear on the part of some of our Congress, that these veterans might like to have something to say about how their country is being governed and they might like to have something to say in helping shape American domestic and foreign policy. Therefore, members of these other veteran organizations and veterans who are affiliated with no such veteran groups, are cordially invited to participate in and with the American Veteran's League in order to help their own associations accomplish some of their own objectives politically, which in the past they have been unable to do because of charter restrictions.

When any intelligent thinking person stops to consider all of this latent political power waiting to be energized into a closely-knit, militant, veteran relationship of all veterans combined, with their wives, mothers, sweethearts, daughters, widows and other kin, it is really astounding. There exists no reason whatsoever why the veterans who have fought to make this nation the Land of the Free, should take a back seat in American political policy when we can ourselves "close ranks" and lead the assault in determining what is good for America and her people and what is definitely un-American and subversive and by our combined efforts assist in enacting legislation which is favorable and good, not only for the veterans of the past, but for the country as a whole.

The American Veteran's League feels that every red-blooded American veteran of any American War should have no hesitancy whatsoever, in swearing to the pledge contained herein and recalling once again further words from Abraham Lincoln:

"There is an important sense in which the government is distinct from the administration. One is PERPETUAL, the other, TEMPORARY AND CHANGEABLE. A man may be loyal to his Government and yet oppose the peculiar principles and methods of administration.

"I insist that if there is anything which it is the Duty of the Whole People never to trust to any hands but their own and that thing is the preservation and perpetuity of their own liberties and institutions."

PLF DGE

I, _____, do hereby promise and vow upon my honor as a man (or woman) that I will ever strive to uphold the Constitution of the United States of America; that I will honor and respect the flag of our nation at all times, that I will not in any way, use this organization for personal gain or profit, that I will do all in my power to eliminate from our country, all foreign and un-American "isms", irrespective of name or origin; that I will put forth every effort to erase from our ballots, any and all un-American or disloyal parties or any members thereof, that do not in every way conform to the Constitution and traditions of our country; that I shall ever strive for the upholding of freedom and liberty gained for us by our forefathers, that I will endeavor to cause others to become members of this organization of war veterans of all wars in which American people have taken part and to battle against those who would undermine and destroy the principles of America and our own individual liberty; that I will ever seek to accomplish these things by lawful means and that I will not allow personal gains or subversive influences to swerve me in fulfilling my duty as an American citizen and as the keeper of its laws and Constitution; and that I shall ever use my right and privileges as a voter and citizen of this nation to support those candidates and/or

incumbents now in public office who sincerely have the welfare and interest of all war veterans and this country at heart and endeavor to fully support the United States Constitution and Bill of Rights, without subterfuge, equivocation or other means and methods not granted to them by the several states and the peoples thereof; that I will likewise do all within my power toward opposing all un-American or International, Communist or other similar parties, societies, groups, organizations, and individuals of whatever nature and to require as far as possible, that all such organizations and individuals be compelled to show their purpose in organizing the sources of their finances, their proposed objectives and prove beyond a doubt that their doctrines are for the betterment and improvement of America as a whole and will not tend to weaken, disrupt, undermine or destroy this nation as planned and designed for us in the Declaration of Independence and the United States Constitution and amendments, thereto, and that I am motivated in part, only by a desire to uncover and expose certain facts pertaining to certain un-American peoples and groups as to their plan of operations and possible accomplishment, which have for so long been hidden from the eyes of the world, in their effort to take away and deprive us of our liberties and freedoms as we have come to know and recognize them as belonging to and being a part of these United States and the wonderful documents thereto as given us by our Founding Fathers of the American Revolution which through these many years have been the signal light and guidepost which has shown us the way to Life, Liberty and Pursuit of Happiness.

Therefore, if any war veteran organization, auxiliary and related bodies such as the Gold Star Mothers, Gold Star Wives, D. A. R., War Dads, Daughters of the Union, Women's Relief Corps and others too numerous to mention, are interested in this movement of organizing in behalf of America, the American Flag, and the American war veterans and desire information or wish to contribute financial means or otherwise form units in your own Ward, community, city, county or State, please communicate with the following named persons at the addresses as given below.

During the meeting Paul B. Hurley spoke from the floor and made reference to the NAACP stating "I have been affiliated with the MPO of the FBI and it was common knowledge in our office that both the local and national NAACP organizations were run by the Communist Party (CP)." Background of Paul B. Hurley

Review of Bufiles and MPO files reflect Hurley applied for position of Special Agent 1-6-52 and he was interviewed re his application 4-1-52. Since he did not have a degree he was advised no action could be taken on his application. In 6-53 Hurley furnished MPO the names of several persons in New York who he felt warranted investigation. Allegedly an illegal operation had been performed by a displaced German doctor on the doctor's sister.

On 3/18/59 SAS [REDACTED] and [REDACTED] contacted PAUL B. HURLEY at his residence, 407 18th Avenue North, Minneapolis, Minnesota. It was made clear to him that he was not to make any statements indicating that he was connected with the FBI. HURLEY denied stating at the 2/24/59 meeting of the Catholic Inter-Racial Council that he had been "affiliated with the FBI" but claimed rather that he had said that he had worked "under the direction of the FBI." He was emphatically told to cease making such claims, that he had never been directed in his activity by the FBI, and further that, had he been working for the FBI, he would be familiar with the requirement that such a person could not reveal his relation with this office under any circumstance.

It was pointed out to him that his statement that the local and national NAACP organizations were run by the CP was incorrect, that he had never been in the position of obtaining such information from the FBI, and that he was not to make any such statement in the future. HURLEY attempted to explain this statement by imputing the information to [REDACTED] and information obtained from the House Committee on Un-American Activities. He was made to understand that he could not confuse such sources with FBI records.

b7C

He was advised of the provisions of the Impersonation Statute. At the conclusion of the interview, he stated that he clearly understood the reasons for the interview, and would desist from such action in the future.

REC-7 100-422071-1

It was noted during the interview that HURLEY has made himself a candidate for city alderman. Although he obviously has little chance of being elected, he was advised that the interview

[redacted] stated that although he was not aware of HURLEY's identity, he recalled a person at instant meeting who claimed FBI affiliation and attempted to portray the NAACP as an organization run by the CP. Since Hurley was never requested by the FBI to join any organization, you are instructed to have two experienced Agents contact him and emphatically inform him to desist from claiming he joined the Socialist Workers Party at the request of the FBI and to further cease using the FBI's name. AMERICANS BEWARE'

of Humphrey and Freeman "Hocus Pocus" - - Paul Hurley

#1 on the F B I warning chart to depict the major issues propagandised by the Communist party, U S A is "Peaceful Coexistence". Recall the Humphrey-Khrushchev visit - the Republicans didn't have much of an alternative in this crucial game of Socio-Economic-Psycho-Political propaganda. It may have even been "planned" that way - like a game of chess.

#2 is "Civil Rights." Both Senator Humphrey and Governor Freeman have long been associated with the so-called "egg-heads", "dupes", and "do-gooders." Humphrey has advocated the need for "more egg-heads." They have "sold-out" Minnesota to the "Commies" for the block-minority vote (nation-wide) to put Humphrey in as president. His activities and "wild" promises have been fanatical and questionable. - very questionable!

Fellow Americans - Judge for yourselves - Senator Humphrey has long been one of the more vocal advocates of civil rights, and more than anyone else, responsible for making Minnesota a "showplace" for Communist activity. They are still determined to pass unconstitutional "forced" occupancy legislation without a referendum vote. The real intent and purpose is the Commie, cold, calculating, and planned maximum miscegenation for maximum democracy and maximum demoralization. Still in doubt? Read below!!

Here are the proposals advocated by the Minnesota State Communist party board: #1 on the agenda related to putting over an "anti-discrimination housing bill" at a municipal level with the assistance of left-wing union elements, communist "dupes" and do-gooders", agitate for integration (race-mixing) at the same time as the National Rights Bill was brought up for Congressional action. Your state board and national convention delegation recommend that our party, the emphasis in the Twin Cities in the coming months, (including the Mpls. city election campaign) shall be on the fight to eliminate discrimination in housing.

There! You have it my friends. If you want technocracy, maximum race-mixing, the "hidden-hand" government, e'c. - all you have to do is elect insincere bagots and political opportunists like Humphrey and Freeman who would "sell their soul" for a vote. If they were really sincere - they would be exposing the money manipulators, the "suppressed" reports, poisonous sprays, chemical additives - public health problem #1 and exposing the "conspiracy" instead of promoting it.

Minneapolis letter of 8-24-60 reports that Paul B. Hurley, Minneapolis, Minnesota, in his campaign for election to the state legislature distributed literature which claims he joined the Socialist Workers Party (SWP) in 1954 at the request of the FBI. His literature, which is dated 1-20-60, states the FBI has warned that the major issue propagandized by the Communist Party (CP) is peaceful coexistence. Thereafter, the literature, which is rambling, attacks Senator Hubert Humphrey and Governor Freeman of Minnesota alleging that they have surrendered the state to the communists for political reasons. The literature claims that the information was furnished by "Former Chief Investigator for the U. S. Department of Justice" and others. Minneapolis Office recommends that Hurley be admonished concerning use of the FBI's name in his literature and that he be specifically questioned relative to the identity of the individual whom he refers to as "Former Chief Investigator for the U. S. Department of Justice." In the event he admits he was referring to himself in this capacity, Minneapolis feels that a signed statement should be solicited and the facts presented to the U. S. Attorney relative to an impersonation violation.

Bureau file discloses that on 9-6-54 Hurley was interviewed at his request concerning information he professed to have about the SWP. It was the personal opinion of the interviewing Agent that Hurley was on the verge of mental instability and no action was taken to develop him as an informant. Under date of 7-1-56 he wrote a rambling letter to the Bureau on which Mr. Nichols noted "No answer." In early 1959, Hurley, while attending a public meeting concerning interracial matters, made a statement "I have been affiliated with the Minneapolis Office of the FBI and it was common knowledge in our office that both the local and national NAACP organizations were run by the CP." On 3-19-59 he was admonished by Minneapolis Office for the statement and informed of the provisions of the Impersonation Statute.

OBSERVATIONS:

Although Hurley attributed the information in his campaign literature of 1-20-60 to a "Former Chief Investigator for the U. S. Department of Justice" and others, there does not appear to be a violation of the Impersonation Statute or a matter of unauthorized disclosure of information obtained in an official capacity. However, since Hurley was never requested by the FBI to join any organization, he should be emphatically told to desist claiming he joined the SWP at the request of the FBI or using the FBI's name. Also, he should be clearly informed that this admonishment is not to be interpreted as an attempt to interfere with his running for public office.

RECOMMENDATION:

The attached letter be sent to the Minneapolis Office containing instructions in line with the above observations.

MISCELLANEOUS INFORMATION CONCERNING
(INTERNAL SECURITY)

Re Bureau letter dated 9/7/60.

On September 14, 1960, PAUL B. HURLEY was interviewed by SA's [REDACTED] and [REDACTED] of the Minneapolis Office. HURLEY readily admitted that the literature in question was written and disseminated by himself. In regard to his reference to documentation by "Former Chief Investigator for the U. S. Department of Justice", HURLEY explained that this information was extracted from an article entitled, "Jungle Toms of Minnesota", by HARRY A. KIRCHMAN, copyright August, 1957.

In regard to his statement concerning his joining the Socialist Workers Party at the request of the FBI, he felt that there may have been some misunderstanding on his part in this respect. He was emphatically instructed to cease making such comments in the future. HURLEY was somewhat apologetic of his actions and indicated he was not fully aware of the possible inference and consequences. During the interview when these facts were brought to his attention, he agreed to refrain from linking himself with the FBI, in any future public statements.

At the conclusion of the interview, HURLEY volunteered his apology and again assured that he would refrain from involving the FBI in any future statements concerning himself.

On 7/25/62 U.S. Attorney MILES LORD, Minneapolis, Minnesota, contacted this office and made available an unsigned U.S. Senate Memorandum which originated from the office of Senator HUBERT H. HUMPHREY, Minnesota. This memorandum, dated 7/2/62, was directed to MILES LORD and is as follows:

"Here is some material from a man named Paul Hurley of Minneapolis that you might want to turn over to the Federal Bureau of Investigation. He is obviously a mental case and a 'neo-Nazi.' Probably the FBI has a long file on him."

(4) A pocket-size pamphlet containing reprints from "The American Mercury," July, 1957, December, 1954, and August, 1957, entitled, "You Are Being Robbed."

(5) Two pamphlets from "Liberty Lobby," 918 East Capitol Street, Washington 2, D.C., entitled, "If It's 'EURAMERICA' It's Not YOUR America!" and "You Be The Judge...Is The Liberty Lobby Guilty of Patriotism?"

HUMPHREY, Washington, D.C., with the return address of PAUL HURLEY, 407 18th Avenue North, Minneapolis 11, Minnesota, and stamped Certified Mail No. 705989. This envelope, postmarked 6/26/62, Minneapolis, Minnesota, contained an 8½ X 11 handprinted in ink letter signed PAUL B. HURLEY. Appearing on this letter was a 1½ X 4 inch sticker bearing a swastika and a printed message, "WE are BACK." This letter was apparently the cover letter for the above-described pamphlets and newspaper reprints. HURLEY, in this letter, describes ADOLPH HITLER as a man of inscrutable destiny, divine providence, the godlike individual of our times, the greatest European of all times, etc. A portion of this letter, directed to the attention of Senator HUBERT H. HUMPHREY, states as follows:

"...After listening to you on T.V. last night 'old blabber mouth' I dare you to face the people on T.V. for two hours with Lincoln Rockwell, Benjamin Freedman, Conde McGinley, [redacted], Gen. **"MINUTEMEN"
INFORMATION CONCERNING
(INTERNAL SECURITY)**

ReBulet to Albany dated 11-6-61.

The following is furnished in accordance with instructions set out in referenced Bureau communication:

During course of another investigation on November 29, 1961, [redacted] Minneapolis, Minnesota, made available the following information concerning the "Minnesota Minutemen." It is noted [redacted] is a rabid right-wing extremist, who refers to himself as [redacted] of the anti-Socialist League, a small and ineffective local right-wing extremist group. [redacted] has picketed homes of local Communist Party (CP) leaders in Minneapolis and has picketed several CP front functions in this area, and most recently, [redacted] SAM K. DAVIS, secretary of this CP District, arising out of a fracas which occurred in the Minneapolis office of "The Worker."

[redacted] emotional make-up and reliability is open to question, principally because of his extreme right-wing views. [redacted] has a tendency to enlarge upon things and most of his information has been discredited after facts have proven otherwise.

[redacted] volunteered that the Minnesota Minutemen is headed by PAUL HURLEY and that [redacted] believes HURLEY has a following approximating some 24 individuals. The purpose of the Minutemen is to combat the Communists in the Twin Cities area by picketing CP sponsored functions and distributing anti-Communist literature.

There is some talk that HURLEY plans to purchase a farm some time in the future where these Minutemen will under-

go a training program, including drill practice and marksmanship. HURLEY is the only officer of the Minnesota Minutemen and, according to [redacted] HURLEY runs a one-man show. The activities of the Minnesota Minutemen are confined strictly to the Twin Cities area, principally Minneapolis.

The Minnesota Minutemen is not incorporated either as a profit or non-profit organization in the State of Minnesota per records maintained in the Secretary of State Office, State Capitol, St. Paul, Minnesota.

PAUL B. HURLEY is well known to the Bureau (see Bureau files 100-422071 and 66-2542). Briefly, HURLEY [redacted] concerning the Socialist Workers Party in late 1954. He was a member of the Socialist Workers Party (SWP) from November, 1954 to April, 1956. The Bureau instructed this office in late 1954 to have [redacted]

HURLEY's [redacted] [redacted], shows he is an extreme right-wing radical, whom many people believe to be mentally unbalanced. [redacted] concerning him and "his" organizations, too numerous to mention, which organizations for the most part are non-existent and/or completely ineffective. [redacted] HURLEY corresponds regularly with organizations, too numerous to mention, from whom he receives anti-Semitic, anti-Negro, anti-Catholic and anti-Communist literature, which he has been known to distribute all over the Twin Cities area. He is a prolific "Letter to the Editor" writer. He has been a frequent caller to this office, offering his ideas on Red fighting schemes. HURLEY has been a virtual thorn to this office and on several occasions the Bureau instructed he be admonished for making statements in public that he was a U. S. Department of Justice employee.

b2

b7D

In the recent past, HURLEY has picketed public CP sponsored functions, has picketed the Minneapolis residence of SAM K. DAVIS, has appeared as a witness against DAVIS in a local [redacted] involving DAVIS, and many

b7C

of his actions have been written up in local newspapers and appeared on local TV. As recently as November 26, 1961, DAVIS steadfastly refused to enter a public front-type meeting in Minneapolis upon seeing HURLEY, who was picketing the entrance leading to the meeting place, and HURLEY chased DAVIS for several blocks, screaming various remarks at DAVIS.

HURLEY is 40 years old, married, has four children, and has been a resident of Minneapolis for the past nine years. He lives at 407 North 18th Avenue, Minneapolis, Minnesota, and has been a salesman for various firms in the past. He reportedly studied sociology and psychology and has four years military service. He claims to be former Chief Investigator of the Citizens Committee to petition for Grand Jury investigation, and an officer or member of the Twin Cities Constitution Money Forum, Minnesota Society for the Preservation of the White Race, Conservatives and Liberals United, John Birch Society, Citizens National Law Enforcement Committee, and Fighting American Nationals. There is literature on file in this office showing HURLEY to be President of the Minnesota Minutemen, no office address indicated; however, in the same article where he urges support for the National Society for the Preservation of the White Race, he lists his mailing address as P. O. Box 398, Minneapolis 40, Minnesota.

The Bureau is advised that HURLEY is the type of individual who would volunteer any and all information to this office, and should it be necessary to obtain additional information concerning the Minnesota Minutemen, this could be obtained easily from him under pretext and/or guise, which would in no way lead HURLEY to believe the Bureau's interest in this organization. No such action, however, will be taken, unless specifically instructed to do so by the Bureau.

This office is not conducting any active investigation concerning the Minnesota Minutemen; however, the Bureau will be promptly furnished all pertinent information in this connection as is received by this office through various sources. UACB, this case will remain in a pending status for the purpose of remaining alert for such pertinent information.

On December 3, 1962, United States Attorney MILES W. LORD, Minneapolis, Minnesota, furnished this office with a communication he received from PAUL HURLEY, 402 18th Avenue North, Minneapolis 11, Minnesota. Enclosed herewith is an autostat copy of original letter.

In addition to this letter, HURLEY enclosed a considerable amount of pamphlets and literature, which material is identified as follows:

1. Sheet entitled "You Be The Judge", published by the Liberty Lobby, 918 East Capitol Street, Washington 2, D.C.
2. Sheet entitled "Wanted" referring to election of Attorney General, prepared by the National Society for the Preservation of the White Race, PAUL B. HURLEY, President.
3. Pamphlet entitled "Poisoning These United States", printed by American Mercury, 250 West 57th Street, New York, New York.
4. Clipping entitled "KENNEDYS Get 2 Million For Building", from the "Minneapolis Star", November 12, 1959.
5. Clipping from the "Minneapolis Star" dated October 14, 1961 with photograph of Attorney General ROBERT KENNEDY and MILES W. LORD with numerous penciled notations.
6. Pamphlet entitled "You Are Being Robbed", printed by the American Mercury, July, 1957.

7. Pamphlet entitled "Unitarian" referring to memorial lecture of Doctor JOHN DIETRICH dated December 1, 1958 signed by PAUL B. HURLEY.
8. Pamphlet entitled "Why Do They Read 'The Wanderer'", printed by the Wanderer Printing Company, 128 East Tenth Street, St. Paul, Minnesota.
9. Pamphlet entitled "If It's 'Euramerica' It's Not Your America", printed by Liberty Lobby, 918 East Capitol Street, Washington 2, D.C.

In referring the above data to the Minneapolis Office, United States Attorney LORD did not request that any official action be taken by this office and likewise pointed out that he currently had no intentions of honoring this material. It is his opinion that HURLEY is a mental case and he was merely making this communication available to us for informational purposes.

Unless advised to the contrary by the Bureau, no contemplated action is being taken by the Minneapolis Office.

The Bureau files will reflect that HURLEY has previously been personally contacted by Agents of the Minneapolis Office and severely reprimanded in several instances concerning his untrue and improper references to the FBI. It is felt that it would serve little or no purpose to again contact and reprimand him in this instance. It is further felt that to do so may only aggravate this situation.

Paul Benjamin Hurley 407 18th Ave. N. Mpls. 11, Minn. July 29th 1963

J. Edgar Hoover, Director, F.B.I. (Federal Bureau of Investigation) and (Greatest Masters of Deceit ?) When is Adam "moninski going to replace you" (Sp. ?) deceit-Yar Washington (misnomer)...He would go stark-raving mad if he could only see it now ! D. D. for Deceit, Deception and Deliberate Demoralization C. C. for Cowardice, Corruption, Cunning and Calamity. (Washington, D. C.)

I told your agent in charge of the office last Sat. P. M. (27th) exactly the same thing. I chased another one off my property after I returned from N. Y. recently. I thought he was a phony and Agent Held assured me they had sent no one around and were not interested in Lincoln Rockwell or if he had stayed at the Radison Hotel. Several days later with the help of the controversial Kanar(?) we determined through his license number that he really was a bonafide F.B. I. Agent, (?) Deceit (?) Deception (?) Why (?) Mr. Held (?) Mr. Hoover (?)

Mr. Hoover...if you detect a slight amount of sarcasm in this letter...please don't blame me. There was a time when I thought the F.B.I. was as unimpeachable as, I once thought, President Wilson was. And, then, I read about Col. Mandel House. I have his book "Phillip Drew Administrator". Need I say more Mr. Hoover ? It would make an excellent theme Mr. Hoover for a book, maybe, "The Rude Awakening" (?) or, maybe, "The Great Sell-out" (?) I have your book, too, Mr. Hoover. Another dream shattered Mr. Hoover when I read how you white-wash the REAL enemy (?) Why (?) Mr. Hoover...NO Guts (?) Afraid of the Mc Carthy or Forrestal treatment (?) Mc Carthy never nailed them, openly, yet they smeared and needled (the needle) to an early grave. Forrestal was going to expose the whole nasty business. After the lobotomy they had to push him out the window. The priest saw the fingernail marks where he clawed for life on the window. All this and all the rest is known to the INNER-Circle Mr. Hoover. How can you stand by Mr. Hoover and see this predominately white country, merely for political expediency, mongrelized and demoralized to the extent of a coffee-colored...bastardized...race of mental zombies...under complete control of the age-old eternal tormentors of humanity...I find it difficult to sleep nights or days Mr. Hoover. It has bothered me so much, since I last realized the extent of their drive for total control of the STUPID-BOY (all non-Jews) that I have sacrificed the welfare of my family vainly trying to expose their treacherous schemes for world domination. 7-30 (Am enclosing several copies of recent letters to save repetition)

Mr. Hoover I need your help ! And, Mr. Hoover, I sincerely feel that the F.B.I. owes me this help (refer to: "Beware of Humphrey and Freeman Ho'cus Pocus" on file with F.B.I. or in Mpls. Argus about same time). At the request of the F.B.I. I joined the SWP. Well, Mr. Hoover, that action, I feel, cost me a LOT of money (about \$40 to \$50,000), a psychological broken home, forced living in a SIUM area, 4th class white citizen status, inability to secure employment, discrimination, state and federal tax liabilities, not finishing my education, and now...the last straw...I am unemployed and the Fed. Govt. slapped a lien on my wife's pay check. They could have put it on the house as the state did, however, knowing they want to shut Hurley up...I suspect that it was politically motivated...a hook-nose...in the Int. Rev. Ser. ? A handful of us (larger now) have been doing your job Mr. Hoover. That is also on file with the F.B.I. (Unmask and Expose the Real Enemy) handed out at the Unity Unitarian Church in St. Paul (when Mrs. Morten Sobell spoke there). All this has come right out of my own pocket Mr. Hoover...sometimes, even our bread and butter money. I felt and still feel the sacrifice is worth it Mr. Hoover if we are to save this predominately white country from the same fate as Brazil and other countries and civilization which have mongrelized white blood with black blood. At the rate the Kennedy Clan, for political expediency (votes), it won't take long Mr. Hoover.

The F.B.I. promised to reimburse me for my expenses when I joined the SWP at their request. I never got one cent ! I am not asking much Mr. Hoover... just enough to get them off my neck. I would even be willing to sell my house for \$5,000, pay off the \$1300 mortgage, all the liens against me, and start fresh with the balance. If you sent me a check for \$2,000...FOR SERVICES RENDERED...I don't think it would be out of line...considering...what it has cost me (above) for getting involved, in the first place, at your request (F.B.I.) (?). You have spent a lot more money for a lot less information than I have furnished the F.B.I. (?)

You may think I have considerable gall to make this request after the way I started this letter out: "Beware of Humphrey and Freeman Ho'cus Pocus" Please let me know at your earliest convenience what your decision will be in this matter (?)

Mr. David Harker, Third Letter Consultant
The Academy of Scientology
1812 19th Street, N. W., Washington 9, D. C.

Answer to your query ...

What have you done to Jews ?

Hello David :

You don't have a very distinguished handwriting for such a distinguished name ?

The Great Kanar advised me to ask you the above query, only, in reverse....What have the Jews done to the Great "Kalki" (?)

1. In front of the Academy (misnomer ?) Theatre, Mpls., showing Exodus, Kalki was attacked by Jews for picketing with a sign which read... "Read... 'What Price Israel' by Alfred Lilienthal. These are the same individuals who so vociferously proclaim to the world... the Jew-Mitarian creed of INDIVIDUAL FREEDOM OF BELIEF and EXPRESSION... only... for the Jew... NOT... the NON... Jew... STUPID*GOY (all non-Jews). I pointed Steve Flegelman out in court as the one who very nearly kicked me in a most vulnerable location ! Steve, incidentally, is Chairman of the Governor's Advisory Committee on Human Rights. Fortunately... the Great Kalki is fast, on his feet and received only a bruised leg. Steve, of course, denied it in court. The professional wrestler, Butch Levy, found out about the great physical strength of the Great Kalki in our struggle to retain our sign. I wrenched it right out of his... powerful arms. "The power and potentiality of the human mind is infinite," ...Kalki.
2. THE CHURCH OF "KALKI" ... teaches... HATE. We have a local character here in Mpls. who calls himself The Father... The Church of the Father... He teaches... LOVE. KALKI says that anyone who teaches anyone to love the Jews is a phony ! Jesus Christ was a KALKI and he denounced the Jews as "Children of the Devil" and "The Lusts of the Father... Satan... Ye will do", etc.. Many world leaders have denounced the Jews and their accursed USURY and their control of MONEY with the obvious CONTROL nearly ALL the various mediums of communication. I mentioned my UNANSWERED... BILLY GRAHAM letter... previously... "If you were just half as sincere as you pretend to be... BILLY... You would take up where Jesus Christ left off... and... again... CHASE THE MONEY LENDERS ... from the TEMPLE !"
3. I am sending you a copy (confirmation) of a telegram I recently sent.
4. The state has liens on my house and the Int. Rev. very recently slapped over an \$300.00 lien on my wife's paycheck. They are determined to prevent any CHURCH of KALKI... not know that it is already... WORLD*WIDE. Thousands are now reading and studying our BIBLE of HATE the JEWS... those age-old tormentors of humanity and hounds of hell. And as the present time cycle nears its end... the Jews are in for the word they coined to cover-up their activity... wave of ANTI-Jew-Mitarianism that the world has everknown. The only Jews who will survive... will be those who have denounced the TALMUD as Ben Freedman did. Such Jews will not only survive but shall be given a place of HONOR in the "KALKI" SOCIETY.
5. I lost my most recent job for the usual reason... Some Jew... I know who it was (I had always treated him with respect and consideration) phoned my employer and asked "... Is that the SAME HURLEY which is involved in politics ? " The employer could NOT keep me after that even if he wanted to. The Jew is a powerful force in our society today... but his days are numbered ! His project of COMPLETE DEMOCRATIZATION was not successful and now the stupid goy (sattle) are slowly beginning to wake up and realize the extent of their diabolical schemes for world conquest and domination by the Jews. They are even beginning to realize that falsehood (deliberate) about the 6,000,000 Jews said to have been liquidated by Hitler ! Many are being taught about the HONKY Fed. Res. System, The C.F.R., The B.A.C., and their schemes to USE and ABUSE the stupid goy ... to the point of Mental Robots or Zombies.
6. Even the Black Nationalists know of the Jew TREACHERY and are being taught to ... HATE the Jew... even worse than the white man. If these forces combine, which they have, in several instances, the HEY-DAY of Jewish ... Kennedy's ... JEW... Frontier will disappear forever... never again to raise its ugly head over the horizon .

Well, David, I could write you a book if I had time, however, I haven't, and I have to go. some material ready for a hearing (pre-trial) over in St. Paul in the morning. It is nearly one in the morning. I still have to make a copy of the telegram for you.

In his letter of 7/29/63, Mr. Hurley makes one derogatory comment right after another concerning the Director and the Bureau. Typical of his sarcasm is: "When is Adam Yarmonhinski going to replace you Edgar?" Later in his letter he asks for a check of at least \$2,000 "for services rendered." He states he has this coming for the losses he sustained because of his joining the Socialist Workers Party at the Bureau's request. There is, of course, no truth to this.

Bufiles show that Hurley applied for a Special Agent position in 1952, but no action was taken because he lacked a college degree. In 1954, he was interviewed by the Minneapolis Office in connection with his relations with the Socialist Workers Party. He had letters from a Minneapolis member and stated he planned to use them as a source of material for a book he planned to publish. [REDACTED]

Approximately one month later Hurley joined the Socialist Workers Party. Soon after this the Minneapolis Office was instructed to have no further contacts with Hurley.

Bufiles also reveal that Hurley has made untrue and improper references to the FBI, and he has been contacted by the Minneapolis Office and severely reprimanded on several instances concerning this.

In view of the above, it is felt no acknowledgment should be made of his letter.

RECOMMENDATION:

That the attached letter from Hurley not be acknowledged.
 Copies are being sent to the Minneapolis Office for information.

Dear Sir:

Sent a document to the local FBI (photostat)

[redacted] and [redacted] (Agents) contacted me (phone) personal b7C
Confiscated all documents ...original ...photostats ?

At least did not request documents ...May we have these, etc. ?

Documents were my property ?

Gave me a line of BS about special treatment of documents at Wash. DC ?

Implied that I had 4 3 missing documents ...offered bribe ...my interpretation at least ? ...willing to pay a few dollars for documents ?

Like documents back when Wash. is finished with them. Will write a book

about experiences near future (reason ...no BS)

Realized it must have been FBI "INFORMER" who had the documents photostated at local Main Library where I found the one document ? Who else

Worried if I had recognized who was there before me, and, apparently, dropped document. Know from previous experience Names not phonies

Had dealings with another [redacted] and [redacted] (Pvt. Investigators) also "pushed" their weight around recently. They did not need all my photo-

stats to be examined under these special machines ...the one I sent them was actually all they needed. Everything would have come out on that ?

They just did not want it known that someone was careless ? Who ? Cover up ...Locally Any thing new on I R Check 6,680,090 ?

It is certainly irregular to have both the foreman and assist. foreman of the Sanitation Dept. (conflict of interests) attending and voting at a special Union meeting and election... after urging the other members to vote for "PUSH-AROUND- [] and then, nominating and seconding him for a candidate /? / No other candidates were nominated ? Boy ! if the FEDERAL AND STATE GOVERNMENTS STAND STILL FOR THIS HIGH-HANDED OR UNDERHANDED CRIMINAL ACTIVITY BY INDIVIDUALS WHO HAVE SWORN TO UPHOLD THE IDEALS AND CONCEPTS OF OUR SO-CALLED DEMOCRATIC SOCIETY ... (TAKE NOTICE GEORGIE-BOY []) J. WELL ! I'M A ^{MONKEYS} "MONKEYS UNCLE" AS THE SAYING GOES !

OH ! AND, THE COMPANY TOLD [] TO .. "KEEP HIS MOUTH SHUT " ! ? WHY ! ? [] IS STILL AN EMPLOYEE , SO , I DON'T KNOW WHAT DEAL WAS FINALLY AGREED UPON. IT WOULD APPEAR THAT THE COMPANY WAS RUNNING THE SHOW HERE THROUGH [] ? AND , OF COURSE , "PUSH-AROUND" [] ! THERE WAS A SPECIAL MEETING OF HERE !! ABOVE EARLY FRI. MORNING AT LOCAL 222 AFTER THE MEETING [] CAME UP TO THE FRYER WHERE I WAS VERY BUSY WITH FIRE IN HIS EYE DEMANDING TO KNOW WHAT RIGHT I HAD REMOVING THAT LETTER FROM THE BULLETINE BOARD . I TOLD HIM NOT TO BOTHER ME BECAUSE IT WAS A MATTER FOR THE COURTS NOW OR POSSIBLE CRIMINAL ACTION. BESIDES I DON'T LIKE TO BE BOTHERED WHEN I AM WORKING ON THE FRYER. HE CALLED ME TO LET THE WATER RUN OVER ON THE BOTTOM TANK BY HIS STUBORN PERSISTENCE AFTER MY REPEATED REQUESTS THAT HE LEAVE. HE KNOWS THIS IS A DEMANDING JOB, ESPECIALLY ON FRIDAYS, BECAUSE HE HAS BEEN ON THE FRYER WHEN I HAD A DAY OFF. ONE "GOOF" COULD COST THE COMPANY MONEY . HE MADE SOME STATEMENT TO THE EXTENT THAT IF I WAS NO LONGER A UNION MEMBER THAT I WOULD NO LONGER HAVE A JOB , BUT , YET , HE WENT ALONG WITH THIS "DEAL" TO FIRE [] FOR A DAY AND REHIRE HIM ... THAT THIS WAS ALL LEGAL AND PROPER ? YOU CAN UNDERSTAND WHY I CALL HIM "PUSH-AROUND" [] ! ! ! ? ? ? I TOLD HIM HE SHOULD BE DELIGHTED THAT I WAS WILLING TO TAKE THE POSITION, CONSIDERING THE FACT THAT THEY HAVE BEEN LAUGHING BEHIND HIS BACK FOR THE PAST '8 or 9 years he has been shop steward ? He is just a big "JOKE" ? Nick , the former foreman told me this shortly after I started working at Continental ! I DEMAND A RECORD OF THIS PRIVATE GET-TO-GETHER FRI. , JAN. 26, 1968 ... AS I DEMAND A RECORD OF THE ELECTION AND MEETING ON THE EIGHTEENTH ! ! ! [] INFORMED ME THAT THE MINUTES MERELY STATED THAT " WE DISCUSSED MR. HURLEY " THEY WILL FIND OUT WHAT A SUBPOENA DUCES TECUM IS ONE OF TH THESE DAYS AND , OF COURSE, THE COMPANY , TOO ! ! ESPECIALLY IF THEY CARRY OUT THEIR THREAT TO FIRE ME ! AND, I WILL HAVE SEVERAL GOOD ATTORNEYS TO REPRESENT ME WHEN I GO INTO COURT ! I AM NOT SO SURE THIS ISN'T INTIMIDATION ? SIGNED *Paul B. Hurley*
